Kentwood Manufacturing has been part of the Grand Rapids tradition of fine furniture for more than 60 years. During that time we have earned a reputation for providing not only exceptionally well-crafted products, but the superior service that customers have a right to expect. We are confident that you will find just what you are looking for to complement your home or office décor, and that you will be delighted with our heirloom-quality Kentwood mirrors.

**Custom Mirror Projects**

Kentwood Manufacturing is the source for custom or standard hotel mirrors, hospital mirrors, mirrors for assisted living centers, condominium projects etc. When quantities are involved, we are able to produce framed or frameless mirrors to your specifications. Framed mirrors feature the moulding of your choice, available with beveled or plain mirror, hardboard backing and hangers attached to the backing. Frameless mirrors are available in a wide variety of shapes and sizes, with a beveled or high polished edge. Offered with or without a hardboard backing and hangers.

**Options**
- Rectangle, square and octagon frames.
- Beveled or plain mirror. Frosted border mirror. Safety backed mirror.
- Security mounting hardware.

**Moulding Profiles**
- Select one of our existing mouldings according to the style required for your project, made to the dimensions you specify.
- Specify moulding from other suppliers such as Décor, Framerica, Larson-Juhl, Universal-Arquati, Studio, and others.

**Bulk Mirrors**

Quantities of frameless mirrors are available bulk packed to save packaging and shipping cost. 24” x 36” ovals are the most commonly requested but we also carry inventory on most of our frameless offering. Let us know your requirements for a one-time or recurring project and we will be happy to quote your needs.

**Go Green**

Kentwood Manufacturing practices conservation & recycling wherever possible. Packaging materials, paper, and scrap mirror are recycled. Mirrors that do not meet our standards are donated to charities for use in low-income housing and fund-raising activities. Energy consumption is carefully monitored and initiatives for lowering usage are implemented.
Frameless mirrors have hardboard backs with hangers that allow vertical or horizontal orientation where applicable. Beveled mirrors feature 1” bevels except items 358, 359 & 360 which have 1/2" bevels.
